USE OF PROCEEDS

The Shares offered by this prospectus will be sold by the selling stockholders. We did not receive any proceeds from the purchase of the Shares by the selling stockholders, and we will not receive any proceeds from the sale of the Shares by the selling stockholders in this offering.

SELLING STOCKHOLDERS

The Shares being offered by the selling stockholders pursuant to this prospectus were purchased by the selling stockholders from other existing stockholders in a private placement transaction pursuant to a Common Stock Purchase Agreement dated as of December 17, 2018 among us, the selling stockholders and the existing stockholders. We have agreed, at our expense, to register all of the Shares for resale by the selling stockholders under the Securities Act. Except as indicated below, the selling stockholders have not had any material relationship with us within the past three years.

The selling stockholders are under no obligation to sell all or any portion of the Shares offered, nor are the selling stockholders obligated to sell such Shares immediately under this prospectus. Because each selling stockholder may sell all, some or none of the Shares that the selling stockholder holds, no estimate can be given as to the number of shares of our common stock that will be held by the selling stockholder upon termination of the offering.

The table below lists the selling stockholders and other information regarding the beneficial ownership of the shares of our common stock by the selling stockholders. As used in this prospectus, the term "selling stockholder" includes the selling stockholders named below and any donees, pledgees, transferees or other successors in interest selling shares received after the date of this prospectus from the selling stockholders as a gift, pledge, or other non-sale related transfer. The first column lists the number of shares of our common stock beneficially owned by the selling stockholders, based on their respective ownership of shares of our common stock as of March 4, 2020. The third column lists the shares of our common stock being offered under this prospectus by each selling stockholder. The fourth column lists the number of shares of our common stock that will be beneficially owned by each selling stockholder following the offering, assuming the sale of all of the Shares offered pursuant to this prospectus.

PLAN OF DISTRIBUTION

We are registering for resale by the selling shareholders and certain transferees a total of 10,001,697 shares of common stock, all of which shares are issued and outstanding. We will not receive any of the proceeds from the sale by the selling shareholders of the shares of common stock. We will bear all fees and expenses incident to our obligation to register the shares of common stock. If the shares of common stock are sold through broker-dealers or agents, the selling shareholder will be responsible for any compensation to such broker-dealers or agents.

The selling shareholders may pledge or grant a security interest in some or all of the shares of common stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the shares of common stock from time to time pursuant to this prospectus.

The selling shareholders also may transfer and donate the shares of common stock in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The selling shareholders will sell their shares of common stock subject to the following:

- all of a portion of the shares of common stock beneficially owned by the selling shareholders or their perspective pledgees, donees, transferees or successors in interest, may be sold on the OTC Bulletin Board Market, any national securities exchange or quotation service on which the shares of our common stock may be listed or quoted at the time of sale, in the over-the counter market, in privately negotiated transactions, through the writing of options, whether such options are listed on an options exchange or otherwise, short sales or in a combination of such transactions;
- each sale may be made at market price prevailing at the time of such sale, at negotiated prices, at fixed prices or at carrying prices determined at the time of sale;
- some or all of the shares of common stock may be sold through one or more broker-dealers or agents and may involve crosses, block transactions or hedging transactions. The selling shareholders may enter into hedging transactions with broker-dealers or agents, which may in turn engage in short sales of the common stock in the course of hedging in positions they assume. The selling shareholders may also sell shares of common stock short and deliver shares of common stock to close out short positions or loan or pledge shares of common stock to broker-dealers or agents that in turn may sell such shares; and

- in connection with such sales through one or more broker-dealers or agents, such broker-dealers or agents may receive compensation in the form of discounts, concessions or commissions from the selling shareholders and may receive commissions from the purchasers of the shares of common stock for whom they act as broker-dealer or agent or to whom they sell as principal (which discounts, concessions or commissions as to particular broker-dealers or agents may be in excess of those customary in the types of transaction involved). Any broker-dealer or agent participating in any such sale may be deemed to be an “underwriter” within the meaning of the Securities Act and will be required to deliver a copy of this prospectus to any person who purchases any share of common stock from or through such broker-dealer or agent. We have been advised that, as of the date hereof, none of the selling shareholders have made any arrangements with any broker-dealer or agent for the sale of their shares of common stock.

The selling shareholder and any broker-dealer participating in the distribution of the shares of common stock may be deemed to be “underwriters” within the meaning of the Securities Act, and any profits realized by the selling shareholders and any commissions paid, or any discounts or concessions allowed to any such broker-dealer may be deemed to be underwriting commissions or discounts under the Securities Act. In addition, any shares of common stock covered by this prospectus which qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this prospectus. A selling shareholder may also transfer, devise or gift the shares of common stock by other means not covered in this prospectus in which case the transferee, devisee or giftee will be the selling shareholder under this prospectus.

If required at the time a particular offering of the shares of common stock is made, a prospectus supplement or, if appropriate, a post-effective amendment to the shelf registration statements of which this prospectus is a part, will be distributed which will set forth the aggregate amount of shares of common stock being offered and the terms of the offering, including the name or names of any broker-dealers or agents, any discounts, commissions or concessions allowed or reallocated or paid to broker-dealers.

Under the securities laws of some states, the shares of common stock may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the shares of common stock may not be sold unless such shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with. There can be no assurance that any selling shareholder will sell any or all of the shares of common stock registered pursuant to the registration statement, of which this prospectus forms a part.

The selling shareholders and any other person participating in such distribution will be subject to applicable provisions of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and the rules and regulations thereunder, including, without limitation, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the shares of common stock by the selling shareholders and any other participating person. Regulation M may also restrict the ability of any person engaged in the distribution of the shares of common stock to engage in market-making activities with respect to the shares of common stock. All of the foregoing may affect the marketability of the shares of common stock and the ability of any person or entity to engage in market-making activities with respect to the shares of common stock.

We will bear all expenses of the registration of the shares of common stock including, without limitation, Securities and Exchange Commission filing fees and expenses of compliance with the state securities or “blue sky” laws. The selling shareholders will pay all underwriting discounts and selling commissions and expenses, brokerage fees and transfer taxes, as well as the fees and disbursements of counsel to and experts for the selling shareholders, if any. We will indemnify the selling shareholders against liabilities, including some liabilities under the Securities Act, in accordance with the registration rights agreement or the selling shareholders will be entitled to contribution.

We will be indemnified by the selling shareholders against civil liabilities, including liabilities under the Securities Act that may arise from any written information furnished to us by the selling shareholders for use in this prospectus, in accordance with the related securities purchase agreement or will be entitled to contribution. Once sold under this shelf registration statement, of which this prospectus forms a part, the shares of common stock will be freely tradable in the hands of persons other than our affiliates.

SEVENTH: Except as may otherwise be specifically provided in this Certificate of Incorporation, no provision of this Certificate of Incorporation is intended by the corporation to be construed as limiting, prohibiting, denying, or abrogating any of the general or specific powers or rights conferred under the Business Corporation Law upon the corporation, upon its shareholders, bondholders, and security holders, and upon its directors, officers, and other corporate personnel, including, in particular, the power of the corporation to furnish indemnification to directors and officers in the capacities defined and prescribed rights of said persons to indemnification as the same are conferred by the Business Corporation Law.

NINTH: To the maximum extent permitted by the laws of the State of New York and the federal securities laws, the corporation shall indemnify and, upon request, shall advance expenses to any director or officer made, or threatened to be made, a party to an action or proceeding (other than one by or in the right of the corporation), by reason of the fact that he or she was a director or officer of the corporation, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and necessarily incurred as a result of such action or proceeding, or any appeal therein, if such director or officer acted in good faith for a purpose which he or she reasonably believed to be in, or not opposed to, the best interests of the corporation and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his or her conduct was unlawful.

ARTICLE VIII of the Company's Amended and Restated By-laws provides:

INDEMNIFICATION

No director shall be personally liable to the corporation or its shareholders for damages for any breach of duty in such capacity, except that the foregoing shall not eliminate or limit liability where such liability is imposed under the New York Business Corporation Law.

To the maximum extent permitted by the laws of the State of New York and the federal securities laws, the corporation shall indemnify and, upon request, shall advance expenses to any director or officer made, or threatened to be made, a party to an action or proceeding (other than one by or in the right of the corporation), by reason of the fact that he or she was a director or officer of the corporation, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and necessarily incurred as a result of such action or proceeding, or any appeal therein, if such director or officer acted in good faith for a purpose which he or she reasonably believed to be in, or not opposed to, the best interests of the corporation and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his or her conduct was unlawful.

Section 721 of the NYBCL provides that indemnification pursuant to the NYBCL will not be deemed exclusive of other indemnification rights or rights to advancement of expenses to which a director or officer may be entitled, provided that no indemnification may be made if a judgment or other final adjudication adverse to the director or officer establishes that (i) his acts were committed in bad faith or were the result of active and deliberate dishonesty, and, in either case, were material to the cause of action so adjudicated, or (ii) he personally gained in fact a financial profit or other advantage to which he was not legally entitled.

Section 722(a) of the NYBCL provides that a corporation may indemnify a person made, or threatened to be made, a party to any civil or criminal action or proceeding, other than an action by or in the right of the corporation to procure judgment in its favor but including an action by or in the right of any other corporation or entity which any director or officer served in any capacity at the request of the corporation, by reason of the fact that he or his testator or intestate was a director or officer of the corporation or served such other entity in any capacity, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and necessarily incurred as a result of such action or proceeding, or any appeal therein, if such director or officer acted, in good faith, for a purpose which he reasonably believed to be in, or, in the case of service to any other entity, not opposed to, the best interests of the corporation and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his conduct was unlawful. With respect to actions by or in the right of the corporation to procure judgment in its favor, Section 722(c) of the NYBCL provides that a person who is or was a director or officer of the corporation or who is or was serving as a director or officer of any other corporation or entity at the request of the Company may be indemnified against amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred in connection with the defense or settlement of such an action, or any appeal therein, if such director or officer acted, in good faith, for a purpose which he reasonably believed to be in, or, in the case of service to any other entity, not opposed to, the best interests of the corporation and that no indemnification may be made in respect of (1) a threatened action, or a pending action which is settled or otherwise disposed of, or (2) any claim, issue or matter as to which such person has been adjudged to be liable to the corporation, unless and to the extent an appropriate court determines that the person is fairly and reasonably entitled to partial or full indemnification.

Section 723 of the NYBCL specifies the manner in which payment of such indemnification may be authorized by the corporation. It provides that indemnification by a corporation is mandatory in any case in which the director or officer has been successful, whether on the merits or otherwise, in defending an action described in Section 722. In the event that the director or officer has not been successful or the action is settled, indemnification may be made by the corporation only if authorized by any of the corporate actions set forth in Section 723.

Section 724 of the NYBCL provides that upon proper application by a director or officer, indemnification shall be awarded by a court to the extent authorized under Sections 722 and 723(a) of the NYBCL.

Section 725 of the NYBCL contains certain other miscellaneous provisions affecting the indemnification of directors and officers, including a provision for the return of amounts paid as indemnification if any such person is ultimately found not to be entitled to the indemnification.

Section 726 of the NYBCL authorizes the purchase and maintenance of insurance to indemnify (1) a corporation for any obligation which it incurs as a result of the indemnification of directors and officers under the above sections, (2) directors and officers in instances in which they may be indemnified by a corporation under such sections, and (3) directors and officers in instances in which they may not otherwise be indemnified by a corporation under such sections, provided the contract of insurance covering such directors and officers provides, in a manner acceptable to the New York State Superintendent of Financial Services, for a retention amount and for co-insurance.

ITEM 17. UNDERTAKINGS.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933.

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
